

PLANET ACCESS COMPANY

A Social Enterprise of Search Since 1997

Planet Access Company, a social enterprise of Search, is a third-party logistics provider that offers warehousing, inventory management, business to business (B2B) and business to consumer (B2C) fulfillment, special handling, packaging and kitting services. Founded in 1997 in partnership with Toad&Co clothing company, Planet Access Company has been recognized for its record of success and innovation. Today, we are based in a 72,000 square foot warehouse in Des Plaines, IL and ship hundreds of thousands of products every year. Planet Access Company is committed to providing the highest level of service in the third-party logistics business and our satisfied customers include prominent apparel brands as well as medical device, footwear, and consumer goods companies.

Planet Access Company is committed to furthering the mission of Search by providing employment opportunities to people with disabilities. The company employs up to 70 individuals annually in paid, train-to-work opportunities, including product assembly, order processing, and materials handling. Train-to-work employment allows individuals with disabilities to earn a wage while they gain valuable work experience.

100% of the profits from Planet Access Company are invested back into Search, Inc. for the benefit of people with intellectual and developmental disabilities.

Each year, Planet Access Company generates over 9,000 hours of paid work for individuals with disabilities.
